

# Lower Neal Renovation

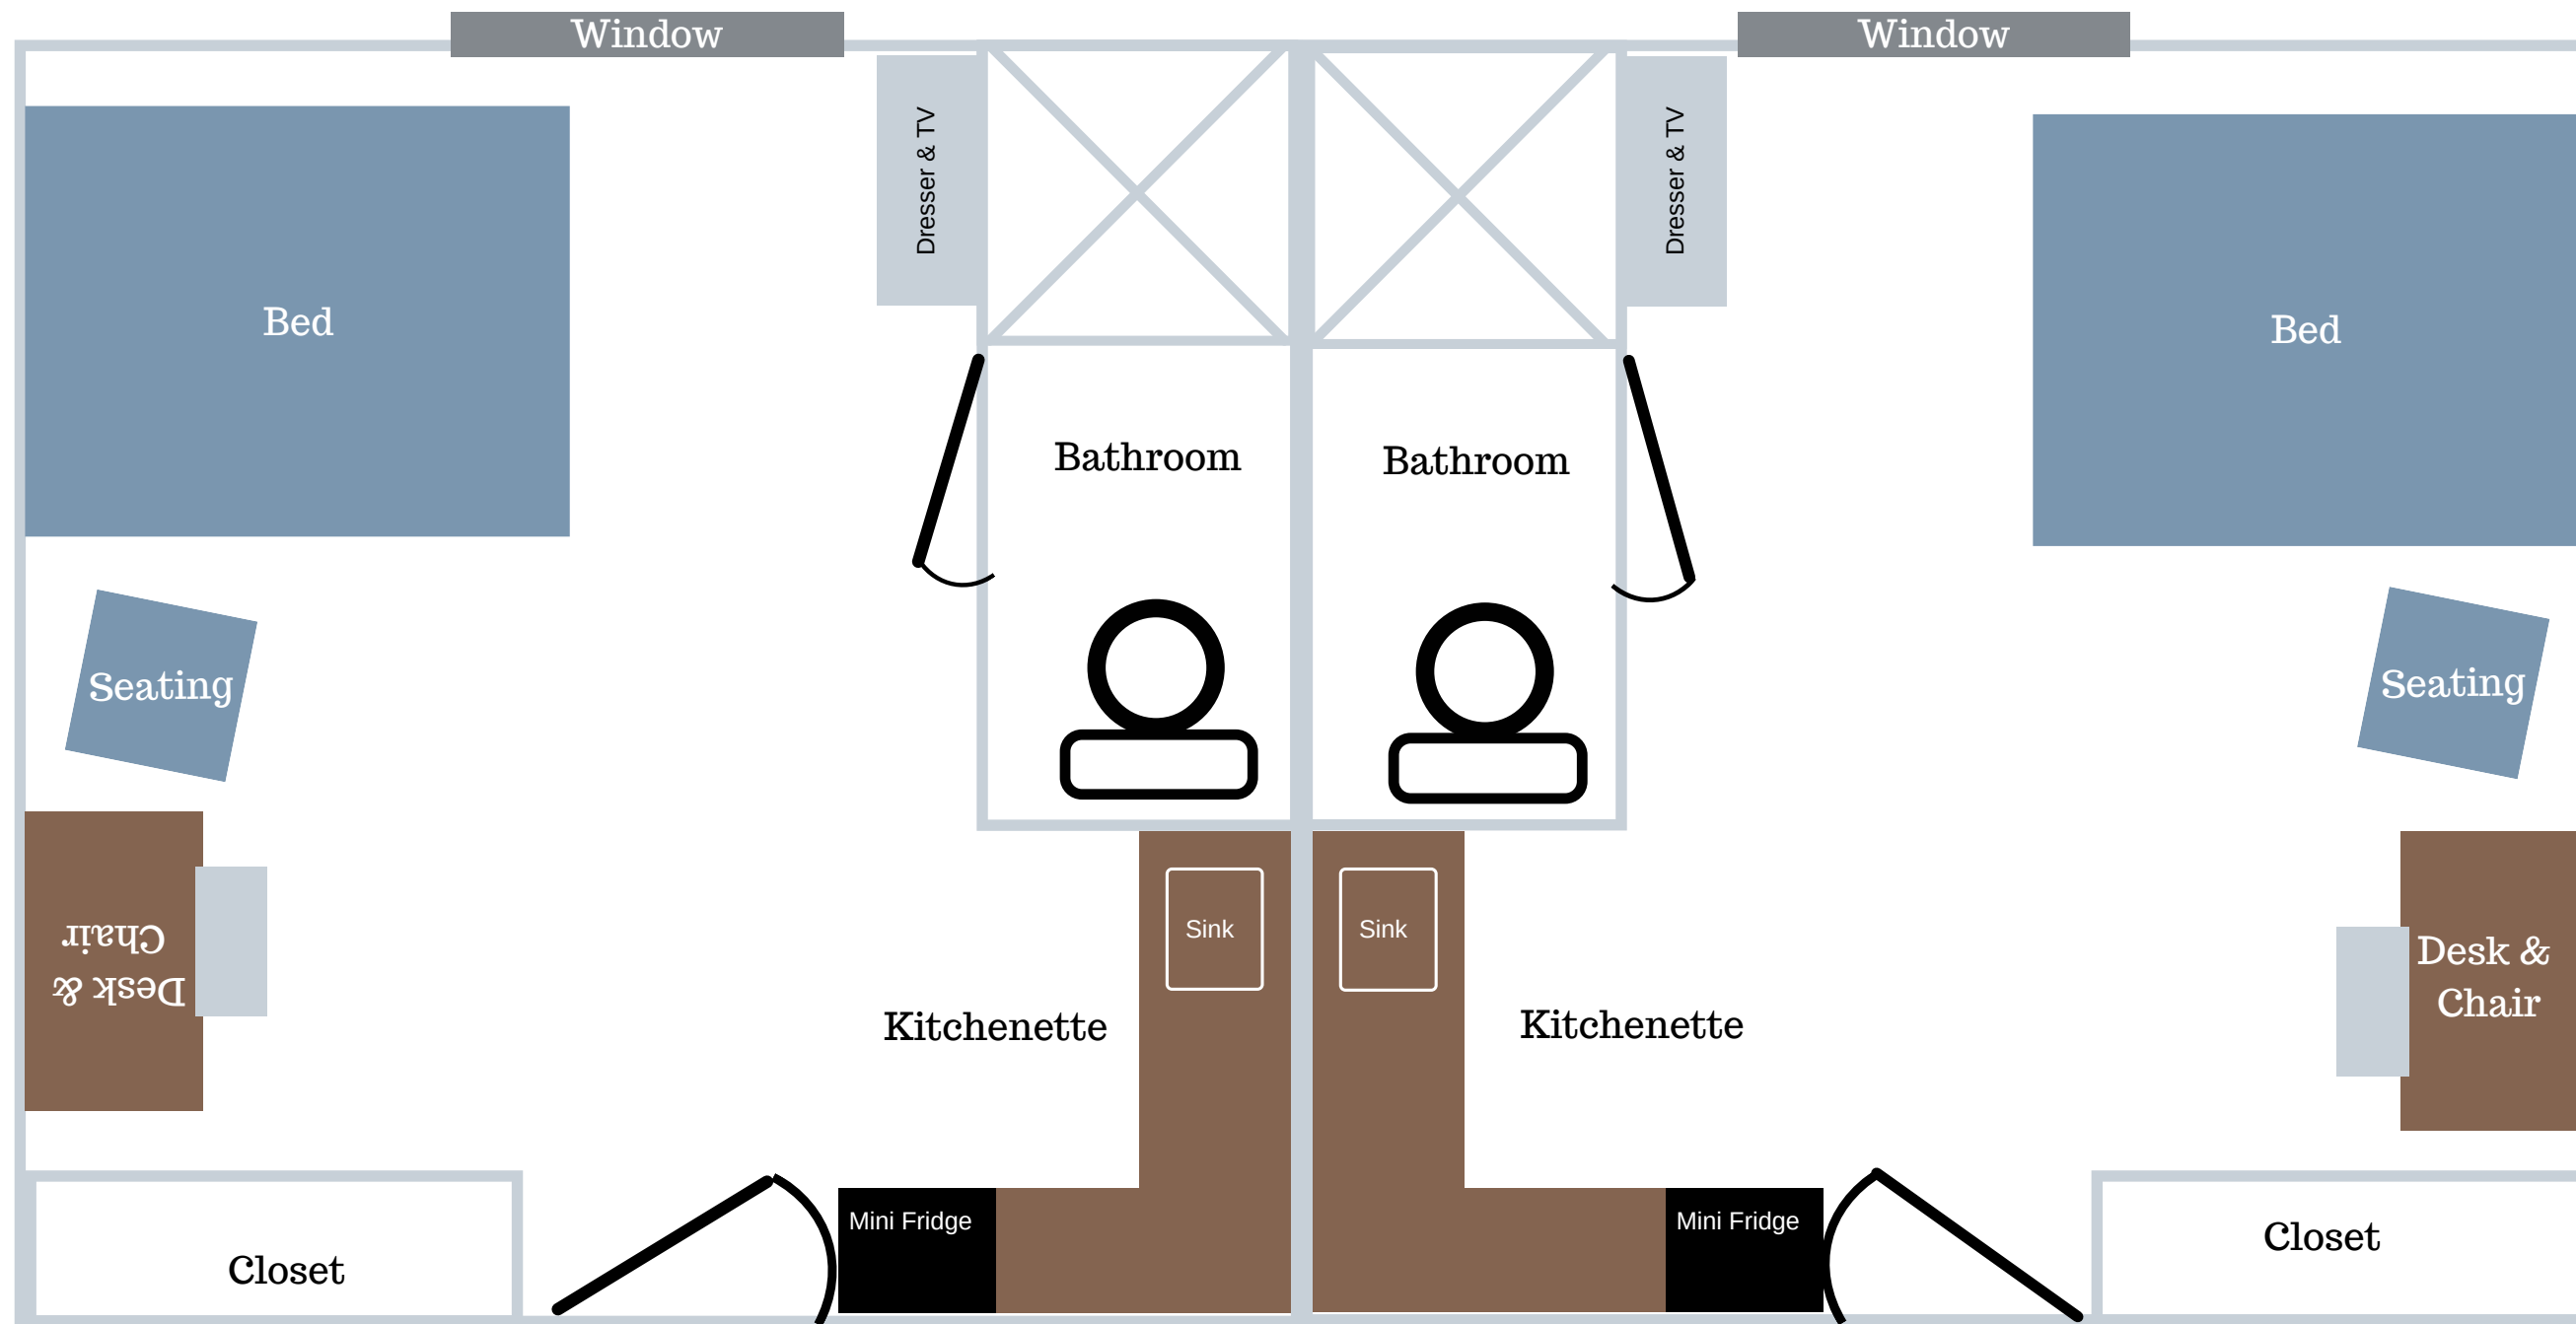

Through the last few years, we have discerned a need for more personal retreat space along with long-term sabbatical or retreat space. The rooms of Lower Neal have not been used consistently but have great potential. These rooms will be available for personal retreats, long-term stays, and church retreats. We hope to have these rooms completed by the end of Aug.

**ASSEMBLY**

I lift up my eyes  
to the hills—  
from where will  
my help come?  
My help comes  
from the Lord,  
who made  
heaven and earth.

**Psalm 121: 1-2**

**Could you help us

**Would your church  
or group be  
interested in  
sponsoring a room?**
